Jen-

Sorry for my delayed response regarding comments and participation at the CSTAG meeting. The USACE will not be providing any comments or remarks for/at the CSTAG meeting. Although, I may attend the meeting. Thanks for the invitation and opportunity.

V/R,  
Lisa

Reyhan,

I need to know by COB tomorrow (2/2) whether your agency will attend the CSTAG Stakeholder portion of the meeting on Thursday, March 1st.

I will also need to know by tomorrow whether your agency intends to make a presentation at the March 1st CSTAG meeting.

Additionally, written material may be provided ahead of time for CSTAG's consideration. The written materials may be provided instead of, or in addition to an oral presentation. As indicated in my January 10th letter, any written material should not exceed thirty pages and should be emailed to me by Friday, February 9th.

Thanks in advance,  
Jennifer LaPoma

Hi Jen,

I plan to provide the CSTAG with very brief remarks on the Upper 9 plan on behalf of NOAA. I'm not sure yet if they'll be written or oral; do you need to know which this week?

- Reyhan.

Reyhan,

On behalf of EPA, please see the attached invitation to present at the Contaminated Sediment Technical Advisory Group meeting for the Lower Passaic River Study Area to be held on March 1, 2018.

Thank you,

Jennifer LaPoma
